

Our
sustainable future
begins with
sustainable
energy choices

WWW.AES-AFRICA.COM

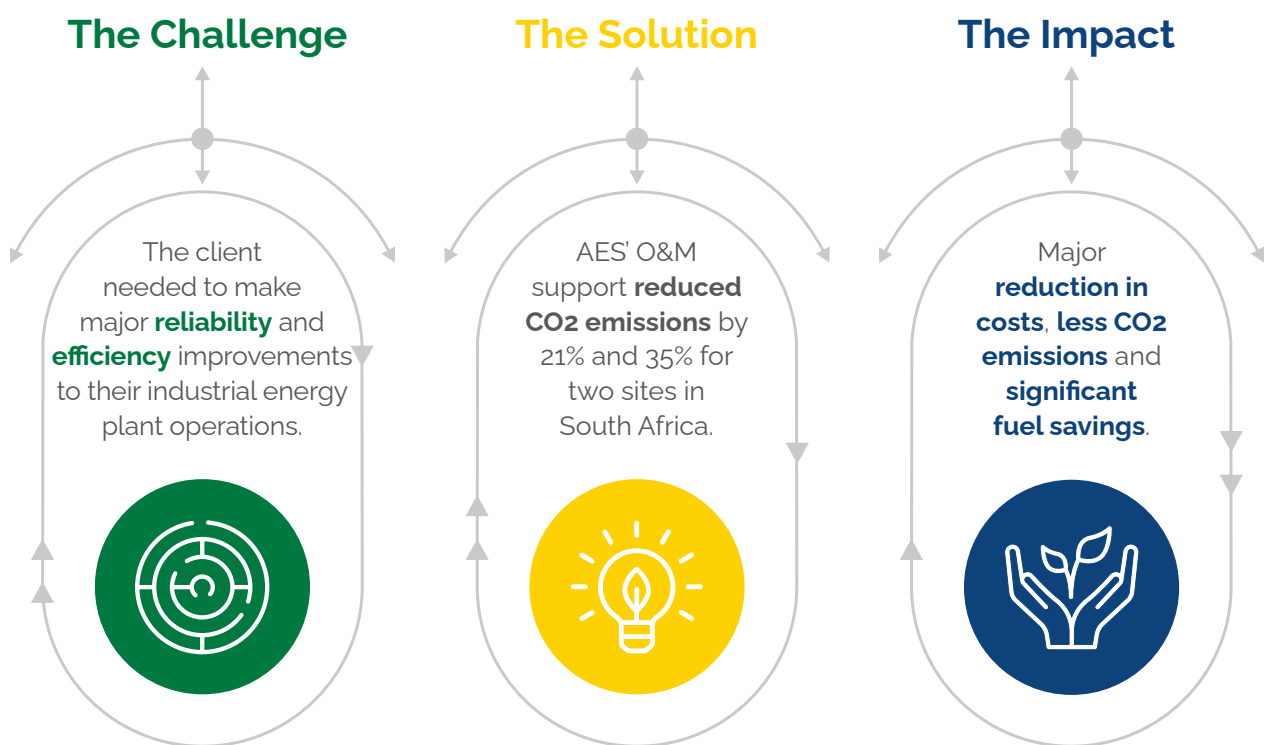

As one of the few experienced South African energy companies specialising in **sustainable plant operations and maintenance management**, we're committed to building **less carbon intensive environments**.

AES track record of excellence, over the past **25 years**, includes operating **biomass**, selection & installation of **biomass fuelled energy plants** (steam & power) and **fuel usage reduction**.

Our green expertise covers:

- **Solution design** and **operations modelling**
- Day-to-day **operations** and **maintenance**
- **Fuel switch management**
- Sustainable **energy mix optimisation**
- **Carbon footprint reduction** through efficiency optimisation

How we helped a major **SA FMCG** manufacturer

Contact us today to learn more about our bespoke O&M and Outsourcing solutions.
AES is ISO 9001, 14001 & 45001 certified
